QUAIRADING HOSPITAL NEEDS YOUR HELP

Please consider volunteering to deliver for Meals at Home clients. Choose a day that suits you and how many times a month you are available (even one day a month would be appreciated). It takes less than an hour to deliver the lunches. Our regular drivers are happy to have you accompany them to see what is involved. If you are unavailable any month just inform the office and you won't be rostered

on. If you feel able to volunteer please contact the office at the hospital on 9645 2222. Our current volunteers have given many years of service and are aging. Please give this serious consideration so that this valuable community service continues.
